- Install Sketching
- Social Media Management
- Creative Writing

## PROFILE

Hi there I'm Tanner. I'm a lover of good books, film, art, fashion, and architecture. Design is my true passion and I love it more than anything in the world. In my spare time I love to go on impromptu road trips, spend time with my dogs, and wander around in search of good coffee shops. I love adventure and always look forward to what life offers next.

## WORK EXPERIENCE

### SHOWROOM DESIGNER

Florida Tile, 12/2018 to Present, Fort Collins, CO

Provides assistance to designers architects builders and trades people through design sketches, selections sheets and client meetings that bring designs full circle. Educates clients on kitchen and bath systems and work with them to create their spaces:

- Technical knowledge in Schuler systems line of products including metal profiles and shower systems as well as TEC and Laticrete products lines.
- Develop relationships with customers, designers, builders, and contractors to create repeat clients.
- Practical design expertise with knowledge of interior architecture and systems that bring a design from concept to reality.
- 

### DESIGN CONSULTANT

Crossville Studios, 02/2017 to 08/2017, Fort Collins, CO

Paid internship with Crossville Studios Fort Collins branch. Provided design consultations for clients purchasing tile and stone slab, gathered quotes for customers, and communicated with sales reps and manufacturers to gain product knowledge:

- Streamlined organization of sample room to ease daily use for staff and better accommodate clients.
- Successfully pushed sales for new quartz countertop series carried by the showroom
- Developed a deep understanding of standards for the hard surface industry, TCNA guidelines and solid surfaces
